

Powering Change:

BUILDING HEALTHY, EQUITABLE COMMUNITIES TOGETHER

WHAT IS IT?

A curriculum to support alignment of sectors and maximize health impact

Practical, comprehensive, interactive lessons

Centralized, curated resource hub

WHO IS IT FOR?

Health-focused multi-sector collaboratives (MSCs) such as Accountable Communities of/for Health

Backbone staff or partners

New or existing collaboratives

WHY USE IT?

Operationalize development of an effective MSC, saving time and effort

Create and nurture a sustainable culture

Improve co-creation of solutions with your partners
