

NAC Strategic Framework

Leadership Expansion

Expand those who are actively engaged in leading community improvement efforts.

Build leadership capacity by supporting county ACE Collaboratives through peer mentoring and resource sharing.

Focus and Communication

Shared common language and understanding of ACEs.

Create and implement a regional ACEs Communications Plan to increase awareness.

Cycles of Learning

Enhance skill-building, policy dialogue, and family engagement across Spheres of Influence.

Develop and implement a regional Training Plan that meets the need of collaborative members.

Results and Outcomes

Measure success and share community stories.

Measure impact of collaborative strategies/activities.
