# Collaborative Planning & Implementation Overview

## Region Counties Supported by PHIL

-  Northwest
-  Southwest

CPI collaboratives will work together to identify, discuss, and resolve CalAIM implementation issues.

- Learn more about the PATH CPI initiative [here](#).
- Catch up with us! Find meeting minutes, Readiness Roadmap Resources, and registration links on the [PHIL website](#).

# Agenda for Today

- Welcome, Framing, & Check-In
- **Speaker Spotlight:** Zachary Ray of Native Spirit Consulting, on Equity
- Updates, including Highlights from Partnership HealthPlan of California (PHC)
- CalAIM Policy Landscape: Gather Feedback for DHCS on the New Community Support: Transitional Rent
- Evaluation and Close

# Objectives

- Gain an understanding of the **underlying theme of Health Equity** in CalAIM's transformational goals.
- Increase understanding of the new Transitional Rent Community Support and provide meaningful CalAIM policy feedback.
- Encourage shared learning and provide a platform for open dialogue.
- Facilitate **an open forum to enhance transparency** surrounding challenges, successes, and innovations in CalAIM Enhanced Care Management (ECM) and Community Supports services.

# Land Acknowledgment

**The Population Health Innovation Lab team respectfully acknowledges that we live and operate on the unceded land of Indigenous peoples throughout the U.S.**

We acknowledge the land and country we are on today as the traditional and treaty territory of the Native American, Alaska Native, and Tribal nations who have lived here and cared for the Land since time immemorial. We further acknowledge the role Native American, Alaska Native, and Tribal nations have today in taking care of these lands, as well as the sacrifices they have endured to survive to this day.

# Commitments to Community Inclusivity

## Be Present, Brave, and Curious

- Encourage different opinions and respectful disagreement
- Embrace conflict which can deepen our understanding
- Acknowledge the risk speakers take, and value the privilege to learn from one another.
- Make use of opportunities to connect person-to-person

## Create An Inclusive Space

- **Invite the unheard voices**
- Take responsibility for our own voices (make space)
- Resist the temptation to only witness the dialogue (take space)\*

## Invite Anti-Racist Dialogue

- Be aware we all have a bias that may impact action; biases are learned and can be unlearned.
- Address racially biased systems and norms.
- **Recognize the vast and varied lived experiences participants have with racism.**
- Be intentional about power dynamics and how you exercise your privilege.
- Avoid defensive responses when people speak from lived experiences with racism.

## Be Accountable

- Foster awareness of unrepresented community members not “in the room”
- Respect each other’s time - participate fully and prepare for each activity
- **Commit to actions that move items beyond discussion**
- Practice patience and persistence – we cannot solve everything in a single conversation and will revisit topics that require additional discussion\*

**Welcome to the Team,  
Zachary Ray of Native Spirit  
Consulting, LLC!**

# Keep Up the Conversation

# CaAIM Bold Goals

Medi-Cal is working to build a more coordinated, person-centered, and equitable health system that works for everyone.

Close racial/ethnic disparities in well-child visits and immunizations by 50%

Close maternity care disparity for Black and Native American persons by 50%

Improve maternal and adolescent depression screening by 50%

Improve follow up for mental health and substance use disorder by 50%

Ensure all MCPs exceed the 50th percentile for all children's preventive care measures

Each Bold Goal is evaluated by a collection of individual quality measures that advance health equity.

# Health Equity Roadmap Initiative:

The [Health Equity Roadmap initiative](#) is part of California's broader health equity strategy, which is an ongoing, phased process to create a more equitable, person-centered Medi-Cal health care delivery system. DHCS' goal is to ensure access to quality, equitable health care for underserved groups, particularly BIPOC communities.

# TRANSITIONAL RENT CONCEPT PAPER

Key Elements of Proposed Service Design in the  
Medi-Cal Managed Care Delivery System

August 2024

*“In this concept paper, DHCS describes and seeks comment on its vision for Transitional Rent and the service requirements and policies that California proposes to implement to support the realization of this vision.”*

*Comments are due by 5 p.m. PT, September 20, 2024. Comments may be submitted to [CalAIMECMILOS@dhcs.ca.gov](mailto:CalAIMECMILOS@dhcs.ca.gov) with the subject line “Comments on Transitional Rent.”*

# Transitional Rent Stakeholder Input

DHCS has a lot of questions for stakeholders, and is particularly interested in feedback related to:

- A. Criteria to determine clinical risk factor for eligibility (p. 14)
- B. Covering the cost of utilities or back rent (p. 22)
- C. Actionable ideas for maximizing coordination between Transitional Rent and other housing programs (p. 25)
- D. Local Flexible Housing Subsidy Pools (p. 27)

# Transitional Rent Community Support Concept Paper

## Breakout Room Options

1. I have read it; I have some direct feedback I'd like to share with DHCS.
2. I have read it and want to talk through some of my questions.
3. I have not read it but want to learn more!
4. I have other CalAIM topics on my mind.

# Harvest

- Reflections
- Please continue to document your thoughts within the document shared in your breakout group by **September 19 by 12:00 pm** or email [CaAIMECMILOS@dhcs.ca.gov](mailto:CaAIMECMILOS@dhcs.ca.gov) with the subject line “Comments on Transitional Rent” on **September 20 by 5:00 pm**.

# Post-Event Evaluation

To continue improving our work as your CPI Facilitator, PHIL kindly asks that you complete the brief survey that pops up in a new tab at the close of the meeting. Your feedback ensures quality improvement and will inform planning and activities through the evolution of the collaborative.
