

**Southwest Collaborative  
Planning &  
Implementation Group**

**Date:** Thursday, February 20

**Start/End Time:** 11:00 PM – 12:30 PM

**Location:**

[Zoom Link](#)

**Total Number of Attendees:** TBD

**Facilitator Organization:**

**Population Health Innovation Lab, Public Health Institute**

**Meeting Objectives:**

- Establish a shared understanding of the collaborative’s primary goals and key drivers for 2025.
- Review and discuss CalAIM provider networks and member utilization data for ECM and Community Supports.
- Encourage shared learning and provide a platform for open dialogue with CalAIM providers, local Managed Care Plans, and other local stakeholders to strengthen a culture of collaboration.
- Facilitate an open forum to enhance transparency surrounding challenges, successes, and innovations in CalAIM Enhanced Care Management (ECM) and Community Supports services.

**High Level Agenda:**

No.	Topic	Key Questions
1.	Check In: CalAIM Ecosystem of Care in 2025	What is on your mind related to CalAIM implementation and sustainability?
2.	Highlights from Partnership HealthPlan of California (PHC) and Kaiser Permanente	What CalAIM updates may impact existing and prospective Enhanced Care Management (ECM) and Community Supports processes?
3.	PATH Collaborative Planning & Implementation (CPI) in 2025	What are our primary goals and key drivers for 2025? What data sources can help track and measure success?
4.	Regional and County-specific data for ECM and Community Supports	How many Medi-Cal members are accessing CalAIM services? What is the current provider network in each County for ECM and Community Supports? How do we define network adequacy? How might we measure quality? How can we help assure robust and equitable networks of care?
5.	CalAIM Updates	What are the latest CalAIM updates, including Transitional Rent, Flex Pools, and PATH CITED funding?
6.	Upcoming Events and Announcements
